COMPANY OVERVIEW

Founded in 1988, M&L Trucking Services, Inc. is a privately held Asset-Based Third Party Logistics Company (3PL) located in Rome, New York. M&L Trucking Services, Inc. started as a Truckload Brokerage handling activity for local manufacturers. Driven to meet the needs of our growing loyal customer base, with their support, and with the support of our dedicated employees, M&L Trucking Services, Inc. has expanded into a full service logistics company. As a result, we currently provide a vast array of transportation and logistics services globally.

In 2015, M&L Trucking Services, Inc. has evolved into **M&L Worldwide Logistics**. This change more accurately portrays our complete portfolio of Global Supply Chain Solutions.

As an asset-based 3PL company, we have the expertise, technology and resources needed to provide our customers with specific shipping and distribution needs. M&L Worldwide Logistics designs and builds global solutions that encompass ground, air-freight, rail, and ocean utilizing assets of both our own company and our partners.

Whether it is a single shipment or a transportation management program, each and every customer is highly valued and respected.

COMPANY STRATEGY

OUR STRATEGY IS YOUR GAIN

- **BUYING POWER**

In a manner similar to that of a buying Co-op, we leverage the transportation and logistics spends of all our customers to obtain competitive rates, more capacity, more sources, and more diverse capabilities. All of these combined generate the gains that we share with our customers.

- **EXTENSIVE KNOWLEDGE BASE**

Our staff consists of incredibly diversified experiences from many different aspects of the transportation industry. The combined professional experience of our employees is well over 250 years.

- **PERSONAL SERVICE**

We provide consistent and personal service on each transaction to every customer. Our sales, pricing, and operations personnel are set up by geographic region to insure our customers communicate with the same personnel on a daily basis. This allows M & L Worldwide Logistics to assist in forming a true mutually beneficial partnership.
