## COMPANY OVERVIEW

- Since our inception, we've had an unwavering commitment to integrity and safety that ensures every delivery is managed with the utmost care and professionalism.
- With an extensive driver pool, our coverage area spans the 48 continental states, and also includes many points in Canada.
- We prioritize the safety and reliability of our shipments by being fully insured for liability and physical damage for the duration of our drive-away movement.
- M&L Transport of PA LLC proudly specializes in the Truck Body Industry, adeptly managing both CDL and Non-CDL activities. We possess the flexibility and capability to facilitate drive-away services for a wide range of vehicle types, including vans, tractors, trucks, and specialty vehicles. Our commitment to reliability and customer-centric service ensures that every client feels fully supported throughout the process. We invite you to engage with us to discuss how M&L Transport of PA LLC can assist you in achieving a seamless vehicle movement, customized to your specific requirements.
